

Greetings Untamed Virginia DASH Racers!

The race is quickly approaching and we need to share some important information with you.

1. Please be sure to complete our pre-race waiver online at <https://www.raceit.com/Register/?event=106&formid=199> Make sure all of your teammates do this as well. This saves time and paper at the race check-in.
2. While we are sourcing kayaks and PFDs for all Dash teams, we need each team to bring their own paddles. Any kind of paddle will do, and if you'd like to rent paddles you can email us and we'll collect your details for our outfitters. I think the price will be around \$15/paddle. If you want to bring your own PFD, you are welcome to do so. You may NOT use your own boat in the DASH.
3. We will be in touch via email next Monday afternoon/evening with the detailed schedule and directions to the race location. We'll also post this information to our race website so you can view the information there.
4. We've organized a social at Legends Brewery in downtown Richmond on Thursday evening Sept 11. From 7 to 9 PM, we'll have some snacks and a great chance to catch up before the main events over the weekend. If you're planning to attend and would RSVP that will help us budget sufficient food, but feel free to just drop by if you're in the neighborhood.

That's all for now, please have you and your team complete the waiver and remember to add a paddle to your list of gear for the DASH.

May your maps always be dry!
